

**babybay<sup>®</sup>**  
happy babies. rested parents.

## Who else wants a good night's sleep?

Imagine slipping into bed after a long day of baby-care. The sheets are warm, the covers soft. Your head sinks deliciously into the pillow. Finally, your chance to rest. But as soon as you close your eyes, baby starts crying from the next room. The last thing you want to do is haul yourself out of bed, disrupting your small moment of self-care.

Babies left to sleep alone are restless. Unable to feel the closeness and comfort of mama and papa, they cry out, needing to be reassured.

### **What if you didn't have to climb out of bed to soothe and nurse your newborn?**

That's why we created the babybay®. So when baby makes a midnight fuss, you're right there to soothe without having to leave your comfort behind.

The babybay® bedside sleeper attaches to your main bed. Your baby's sleep won't be disturbed if you move, making restful nights easy and simple.

### **Finally, relaxing nights for the whole family.**

And it's easy to use:

- babybay® simply clips to the parent's bed.
- Fully adjustable height means it will fit snug against your bed.
- As simply as you install it, the babybay® can be detached and used as a standalone unit.

Try the babybay® and sleep comfortably and cozily. More than half a million satisfied babybay® parents already are – and your baby will too.

### **No more waking up at night. Happy babies. Rested parents.**

"This is the best thing I ever bought for myself and my baby. babybay is worth every penny and then some for peace of mind and getting more sleep."

**-Susan**

"As a first time mom, I spent may hours researching the importance of proximity and touch as essential factors for mothers and babies feeling their best. I discovered babybay in my attempts to find a way to sleep close to my child in a safe and effective manner. I was hesitant at first, but turns out I love my babybay and most importantly, I love the fact that I don't have to get out of bed at night!"

**- Kate**

"I am a first time mommy and a young one at that, this bedside sleeper is the best thing ever invented!! This company is amazing and they really work with you! They help you fix any problem you may have! They are a great company and really care about the products they sell and the people who buy from them! This is worth the money every single penny!!"

**- Elizabeth**

"This is going to be my fourth child. I've tried everything else with my previous children and when I saw this I knew that this will be perfect to solve the sleeping problems I've always experienced with my previous children. The assembly was very easy and took less than 15 minutes... Very well made. High quality. Worth every penny. Love it lots. Thank you."

# A Company That Insists On Sustainability

## Our Environment is Shaped by Our Decisions

That's why, for every tree we use in manufacturing a babybay® bedside sleeper, we plant a new one. We hand-select each beech tree we use to ensure the highest quality product, and to remain responsible to the environment. You can rest assured knowing that your babybay® is crafted out of the highest quality beech, and that each babybay® is as beautiful as it is strong.

## Safe and Reliable

babybay® is made from natural and solid beechwood. We do not use plywood or plastic - ever. The sturdy beechwood construction guarantees longevity for generations. Beechwood is naturally antistatic and antibacterial for your baby's health and protection.

## Intuitive Design

The babybay® height can be easily adjusted to fit any bed height. Four beechwood clamps securely hold the bed at your desired height. Should you need to change the height of your babybay®, no problem! babybay® can be easily readjusted in minutes.

## Many Finishes to Choose From

Your babybay® should match your vision. Customize the look and feel of your babybay by choosing from multiple wood finishes, fresh babynest and canopy colors, and high quality mattress pad options.

## Long-lasting Construction

Taking care of your babybay® is simple. Our varnished and unvarnished models can be wiped with a clean, damp cloth to remove stains. Small stains on the untreated models can be removed with fine sandpaper.

# The Best in Safety And Comfort

## Proud member of the Juvenile Products Manufacturer's Association (JPMA)

babybay® is vetted by the Juvenile Products Manufacturer's Association (JPMA) to meet or exceed all ASTM International child safety standards. babybay® is lead-free and free of harmful chemicals, maintaining highest standards in safety and quality. Nothing is more important than the wellbeing of your baby.
